

AMENDMENTS TO THE SPECIFICATION

*Kay*  
*8/14/10*  
Please replace the sixth full paragraph of page <sup>7</sup>~~8~~ of the specification, beginning at line 22 of page 8, with the following amended paragraph:

Using Bragg grating filters the common tuning of the two filters can also be made by surrounding them with an index matched solution, a temperature stabilization or an application of any kind of stress and strain.
